

Rob|Arch 2014

Robotic Fabrication in Architecture, Art, and Design

Workshops: 14.-16.05.14 | Conference: 17.-18.05.14

The Association for Robots in Architecture ("Organizer") would like to include the submitted video material about robots in architecture, art, and design (the "Material") in a video compilation, (the "Work") to be and presented at the Rob | Arch 2014 Conference, robarch2014.org, vimeo.com and via social media. The purpose of this letter is to obtain your prior written permission to use your Material as provided herein.

By signing below, you grant to Organizer, its licensees, successors and assigns, the **non-exclusive** right and license to use and display the Material at the Rob | Arch conference and to publish it without charge on robarch2014.org and vimeo.com.

By signing below you represent and warrant that (i) you are the sole owner of all copyright, trademark, and other intellectual property and proprietary rights in and to the Material, (ii) publication of the Material as authorized herein shall not violate or infringe any copyright, trademark, or other intellectual property or proprietary right of any person or entity, and (iii) you are not a party to and the Material is not subject to any contract or arrangement which would conflict with your permission herein. You shall indemnify and hold harmless Organizer and its successors, assigns and licensees from any claim, damage, or expense (including reasonable attorneys' fees) arising out of a breach of your representation or warranty.

Please acknowledge your agreement with the foregoing by signing and completing the information below. Keep one original for your files, and submit a scanned copy - containing your signature - along with your video via <http://videosubmission.robarch2014.org>. Your timely cooperation is appreciated.

Sincerely,

Wes McGee & Monica Ponce de Leon
Rob | Arch 2014 Chair

Sigrid Brell-Cokcan & Johannes Braumann
Association for Robots in Architecture

ACKNOWLEDGED AND AGREED:

I hereby authorize the use and display of the Material as described above.
